November 11, 2017

AGENDA

10:00AM – 11:15AM

Workshop: Shakespeare:
Activating Language

Presenter: Anita Dashiell-
Sparks

Location: MCC 107

This isn't your usual Shakespeare! Come in and enjoy a different spin on Shakespeare's writings, through an interactive acting workshop. Participants will discover and explore how to physicalize words into actions through psychological gesture, imaginative play, and textual analysis.

Workshop: Technical Theatre

Presenter: Els Collins

Location: MCC 108

Come participate in a collaborative design exercise and discover what it's like to create the design elements (sets, lights, costumes and sound) for a show from the original concept.

1:30PM – 2:45PM

Workshop: Improv for All

Presenter: Debra De Liso

Location: MCC 107

Come learn the joy of play with improvisation! Develop practical techniques to create characters and story lines that delight the performer and audience alike.

Workshops are subject to change.
