In lieu of a director's note, cast members shared their thoughts.

*"How does Jacobs-Jenkins examine theatre conventions and performativity?"*

*"When did you first feel 'Love?' What does 'Purpose' mean?"*

*"Why do these plays about death always end up telling us about life?"*

*"Confront your life. What are you missing? What do you have or need?"*

*"Live authentically, doing your best, not harming others' journeys."*

*"You're leading your life. Whatever you decide, guarantee your actions merit respect."*

*"I may never know the meaning of life, but I can cherish it for as long as I can."*

*"Wake up. Life is short. Love is everlasting. Compassion and understanding will save us."*
